Lexmark™

Lexmark MS817n

High speed and volume to support large workgroups

When you have a printer supporting 10-20 busy people, you need the speed, input capacity and output volume provided by the MS817n. With print speeds up to 55 pages per minute, input capacity expandable to 4,400 sheets, an optional High-Yield cartridge that produces up to 25,000 pages and recommended print volume of up to 50,000 pages per month, this device can handle even the busiest office.

Keeps jobs moving. Faster.

The MS817n improves your print speeds by taking advantage of its 512 MB of memory (upgradable to 2.5 GB), dual-core processor and Gigabit networking. It can produce your first page in as little as 4.8 seconds.

Unison™ TONER

Security

Mobility

2.4-inch display

Security. Confidential Print. Mobile print capability.

Extensive network security features and protocols protect your device, information and network from unauthorized access.

Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customized, unique PIN on the device's keypad before the document can be printed.

Print from mobile devices using an optional Wi-Fi adapter or Lexmark's free Mobile Print app.

Makes document production easy

Produce presentation-ready documents with optional finishing features, such as stapling and hole punching.

The bright 2.4-inch colour display lets you easily configure even complicated jobs.

Comprehensive warranty

The affordable MS817n is so well made, we back it with a solid 1-year warranty that offers you multiple ways to obtain help: phone, e-mail, live chat and remote assistance. Plus, if your device ever fails, we'll ship you a replacement device through our Advanced Exchange program so you're up and printing again as quickly as possible. See Statement of Limited Warranty for details.

High-Yield cartridges produce up to 25,000 pages

Available High-Yield cartridges produce up to 25,000 pages and never require shaking, which minimizes interruptions and reduces cost per page. The Lexmark print system and Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The MS817n is simple to install, easy to use and offers full compatibility with nearly every operating system and network, so you'll be up and running in minutes. It's built to last, so you'll easily be able to print up to 50,000 pages per month, thanks to our state-of-the-art paper handling technology and long-life consumables.

Lexmark's Mobile Print app for iOS and Android devices provides a simple and consistent user experience for printing from mobile devices. It features simple printer discovery and mobile print options.

A front USB port lets you print PDF and other image files directly from a flash drive and store scanned documents.

Eco-friendly

The instant warm-up fuser saves energy and delivers the first printed page as fast as 4.8 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimize noise and energy consumption.
Through the Lexmark Cartridge Collection Program, Lexmark offers a free and easy way to return your empty cartridges for sustainable recycling or remanufacturing.
